Dear Family Practitioners

Re: GP Vaccine Rollout

The UFFP is pleased to announce that the NDOH and the SAMRC have agreed to include GP's in the phase 3B of the Johnson and Johnson Vaccine roll out.

These vaccines will be administered to General Practitioner over the next two Sundays on the 21st and 28th of February 2021. Please note that all supporting staff will be allocated in the phases to follow.

GPs, in order to book your appointment, please follow the prompts below to confirm your appointment for either **Sunday 21st or Sunday 28th February 2021, between 10 am to 8 pm.**

1. First you must register on the EVDS system (to get a vaccine voucher for the vaccine) at: <https://vaccine.enroll.health.gov.za>
2. For data verification on the Beneficiary list please register on: <https://v4hcw.co.za>
3. Once registered with 1 and 2, please book a tentative time slot at a facility in your region at: <http://bookings.v4hcw.co.za> / <https://db.kznmcc.co.za/kzndhc/vax/>

The South African Medical Research Council will be co-ordinating the roll out of the Johnson and Johnson vaccines at specified SAMRC facilities for the first two weeks and more sites in both the public and private sector will be added going forward.
