# Get things sorted, **while on the move**

Welcome to your ultimate lifestyle solution.

Whatever you need help with, we've got your back, 24/7. We're your needs navigator, your reliable errand runner, a problem-solver in your pocket – we take care of it all so that you can focus on the things that matter most.

Too often we spend time (and money) on things that we don't enjoy. That's where we come in. Netstar GO can't get you out of paying your bills or going to work, but we can take care of all the nitty-gritty tasks, so you'll have more time (and money) for the things you actually enjoy.

From as little as R65 per month, you get your on-the-go assistant and can enjoy a huge selection of monthly deals and discounts.

Simply contact us via our app, online chat, email or 0861 22 55 72, tell us what you're after, and our agents will find a solution suited to your needs.

Life's so much easier with convenience available at your fingertips. **Enjoy 24/7 assistance for all your personal tasks. Download Netstar GO. Today!**
